WHY SUPPORT THE Y?

FOR THEIR POTENTIAL

The Y is for Youth Development. All kids deserve the opportunity to discover who they are and what they can achieve. At the Anaheim YMCA, more than 15,000 youth are taking a greater interest in learning, exploring their unique talents, and making smarter life choices. From infants taking their first step—to teens stepping into adulthood, the Anaheim YMCA has programs that nurture their full potential. That makes for confident kids today and contributing and engaged adults tomorrow.

FOR THEIR HEALTH

The Y is for Healthy Living. It's more than being physically active—it's about maintaining a balanced spirit, mind and body. The Y brings families closer together, encourages good health and connects people through fitness, sports, fun and shared interests. The Anaheim YMCA is a place where people of all ages can receive support, guidance and resources to achieve greater health and well-being, inside and out.

FOR THEIR FUTURE

The Y is for Social Responsibility. We are committed to supporting our neighbors and providing opportunities to get involved and give back. Through volunteer and mentor programs, service projects, advocacy, and other community programs, the Anaheim Y unites people around helping one another

We invite you to give back to your community.
