FOR A HEALTHY COMMUNITY

HEAL: Healthy Eating Active Living

The Anaheim Family YMCA had the honor to present the Anaheim City Council for their great partnership to promote healthy living through their actions and policies.

In 2012 Kaiser Permanente provided a \$1 million dollar grant to the Y as the leading agency for the Anaheim HEAL Zone to promote healthy eating, active living in the neighborhoods that encompass Edison Park, Lincoln Park, Edison Elementary, Lincoln Elementary, and Sycamore Junior High. In September 2013, the City of Anaheim was designated as a HEAL City. Anaheim is among 190 HEAL Cities across California, and among 14 here in Orange County.

It was our pleasure to present the City of Anaheim with this designation as a HEAL ACTIVE City. Thank you to the City of Anaheim for many years of partnership.

The Y and Heal Zone partners presenting the Anaheim City Council with their official designation as HEAL Active City

El YMCA de Anaheim tuvo el honor de presentar al Ayuntamiento de Anaheim por su gran asociación para promover una vida saludable a través de sus acciones y políticas.

En 2012, Kaiser Permanente otorgó \$ 1 millón de dólares al YMCA como la agencia líder de la Zona Anaheim HEAL para promover una alimentación saludable, vida activa en los barrios que abarcan Edison Park, Lincoln Park, Edison Elementary, Lincoln Elementary y Sycamore Junior High. En septiembre del 2013, la ciudad de Anaheim fue designada como ciudad de HEAL a través de una resolución aprobada por el concilio. Anaheim está entre las 190 ciudades HEAL en California, y entre 14 aquí en OC.

Fue un placer para nosotros presentar a la Ciudad de Anaheim con esta designación como una ciudad HEAL ACTIVA. Gracias a la ciudad de Anaheim por muchos años de asociación.

ANAHEIM ACHIEVES SUPPER PROGRAM

It all starts with our community! Volunteers had the opportunity to help serve supper to kids at Ross Elementary.

The after school food program was created to fill the late afternoon hunger gap by providing healthy meals for students in the Anaheim Achieves after school program. Data revealed that 85% of the students in the Anaheim City School District are provided with a free or reduced price lunch, and 7% self-report insufficient food at home to meet their basic needs.

Thanks to our partnership with the Anaheim City School District, we are ensuring that over 3,000 children in our after school programs have access to healthy meals during out-of-school time, when they need them most.

The Y and Heal Zone partners presenting the Anaheim City Council with their official designation as HEAL Active City

¡Todo comienza con nuestra comunidad! Los voluntarios tuvieron la oportunidad de ayudar a servir cupper a los niños en la Escuela Primaria Ross. Éste es uno de 31 sitios que funcionan el programa de la cena de YMCA cada día en Anaheim. El programa de comida después de la escuela fue creado para llenar la brecha de hambre en la tarde, ofreciendo comidas saludables para los estudiantes en el programa de Anaheim Achieves after school. Los datos revelaron que el 85% de los estudiantes en el Distrito Escolar de la Ciudad de Anaheim reciben un almuerzo gratis oa precio reducido, y un 7% reportan que no tienen suficiente comida en su casa para satisfacer sus necesidades básicas.

Gracias a nuestra asociación con el Distrito Escolar de la Ciudad de Anaheim, nos aseguramos de que más de 3.000 niños en nuestros programas después de la escuela tengan acceso a comidas saludables durante el tiempo fuera de la escuela, cuando más lo necesitan.
