TIPS FOR A SUCCESSFUL TOY DRIVE

Here are some suggestions that can help you get started with your toy drive.

Location is the key

Wherever you decide to hold your drive, make sure it's a place where a lot of people are available to contribute. Consider your school, neighborhood, church, club, or other community group that you are a part of. Places where toys are available to purchase nearby is a bonus!

Advertise

Make sure you advertise your toy drive. Use the flyers provided in this kit to spread the word. Mention the drive in a newsletter or email potential participants. Create an event on Facebook to help get the word out. Consider using social media sites to communicate with participants.

Make it fun

Consider making your drive a competition to encourage donations! Develop a game, Facebook page, or other interactive aspect for your toy drive. Be creative and have fun!
