

## Our 2024 Honoree Dave Matthey

Dave Matthey, a native of Anaheim, has a lifelong connection with the YMCA, beginning with his participation in Indian Guides in first grade. This early involvement fostered strong bonds

with his father and laid the foundation for his lifelong commitment to community and personal growth. As he moved through school, Dave made lifelong friendships with Tommy Martindale, Paul Chylinski, Andy Reardon, and more, influenced significantly by Mr. Alden Esping's guidance in junior high school.

Dave's involvement with YMCA camps, starting from a dishwasher at Camp Osceola to a counselor at Camp Fox, further demonstrates his deep-rooted connection to the YMCA community. Professionally, Dave has had a distinguished career in financial services, starting at Merrill Lynch in 1990, where he worked closely with his father. He holds a degree in Business Administration with a focus on Finance from California State University, Fullerton.

Dave married his wife Julia in 1995, and together they have four children between ages 18 through 27. His commitment to enriching lives extends to his ongoing support of the Alden Esping Camp Endowment Fund at the Anaheim Family YMCA.

### The Timeless Gift of Camp for All Generations

Instilling values in youth has been a tradition at the Anaheim Family YMCA since its first camping season in the summer of 1924. Today, the Y continues to bring the camp experience to more than 350 youth and teens each year.

Camp is a life-changing experience that deserves to be known by every child. In order to ensure the timeless gift of camp for all generations, we proudly announce the [Esping Camp Endowment Fund](#).

While your involvement with the Putting Classic will help youth to attend camp this year, we also invite you to make a gift to the Esping Camp Endowment Fund in order to provide opportunities to future generations of campers.

This Esping Camp Endowment Fund will ensure that YMCA Camp continues into perpetuity. This is a secure fund. The principal will stay intact, and the interest alone will provide camperships and expanded camp leadership programming.

SEND A KID TO CAMP!

Your support helps youth who need it most to experience a life-changing week at Y Camp.

## Join Us

Every summer the Anaheim Family YMCA welcomes hundreds of kids ages 8-16 to our Summer Resident Camps. A week of camp is a life-changing experience that offers unique opportunities for campers to make lifelong friends, build confidence, have fun, interact with well-rounded role models, and learn positive values. Trained volunteer counselors and staff help lead Anaheim Y Camps create an environment where young people can grow physically, mentally, and spiritually.

Unfortunately, many kids have limited means to cover the cost of camp. Because of that, 21 years ago the Alden Esping Putting Classic was created to help send kids to camp. With your support, we can continue to help send kids to camp for years to come!

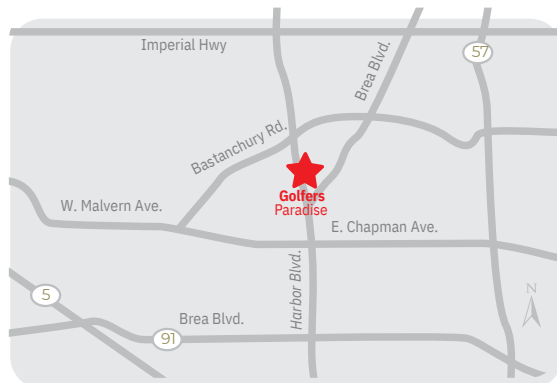

Golfers Paradise is an 18-hole Putting Golf Course that offers all the amenities of a regular golf course, except it's all putting. From sand traps to water hazards, this course has it all.

Please try to bring your own putters!

## Send a Kid to Camp

From Camp Osceola in the 1920s to today, YMCA Camp is a tradition in Anaheim. Whether under the sun at Camp Fox or nestled in the wilderness at Camp Miehana, hundreds of campers have the opportunity to experience a life-changing week of fun and personal discovery. The program is run by trained volunteer leaders and staff, who have dedicated their lives to helping young people grow physically, mentally, and spiritually.

At YMCA Camp, youth and teens have the unique opportunity to make lifelong friends, build confidence, have fun, meet encouraging role models, and challenge themselves to accept and demonstrate positive values. It's a place where one week can enrich your whole life; that's why campers keep coming back to YMCA Camp year after year.
