## OUR MISSION

To put Christian Principles into practice through programs that build healthy spirit, mind and body for all.

## OUR DESIRED IMPACT

Through involvement at the Y, people in our communities are spiritually, mentally, and physically healthy. Our youth feel safe and empowered to lead significant lives. All relationships are nurtured, and people feel connected to one another and responsible in building a sense of community for all.

# A MESSAGE FROM OUR CEO & BOARD CHAIR

## Dear friends of the Y,

As we look back on the past year, we are filled with gratitude for the incredible impact made possible by your support. Together, we have strengthened the Anaheim Family YMCA as a cornerstone of health, hope, and community. Your commitment has enabled us to expand essential programs, forge deeper partnerships, and create countless stories of resilience and strength throughout Anaheim.

We saw this strength in the 31,450 children and families we served. We saw it in the focus of a child learning to swim in our 5 pools, in the joy of a team scoring their first goal at the Community Complex, and in the relief of a family receiving nutritious meals through our food program. Every safe space for learning, every lesson taught, and every connection made is a testament to our collective mission: to strengthen the very foundations of our community.

Our annual Y Gala and We Build People Support Campaign raised critical funds that provided \$105,372 in direct financial assistance. This is the result of your generosity—ensuring that not a single child or family was turned away due to financial hardship. Together, we are building a future where every individual, regardless of age, income, or background, has the opportunity to thrive. Your belief in this mission turned compassion into action.

Looking ahead, we are energized by the momentum you have helped create. With your continued partnership, we will innovate and expand our reach, investing in youth development, healthy living, and social responsibility. We are not just planning for another year; we are building a stronger, healthier Anaheim for generations to come.

To every donor, volunteer, sponsor, and partner—you are the authors of these stories of strength. Your generosity, whether through a major gift, a steadfast monthly contribution, or passionate participation in our events, fuels this mission. You are the reason we can live out our promise that “Everyone belongs at the Y.”

Your support ensures that children learn with confidence, families grow in strength, and our community unites in purpose. We simply could not do it without you.

In partnership,
