## Honoring Jim Watson

Instilling values in youth has been a tradition at the Anaheim Family YMCA since its first camping season in the summer of 1924. Today, the Y continues to bring the camp experience to more than 350 youth and teens each year.

Camp is a life-changing experience that deserves to be known by every child. In order to ensure the timeless gift of camp for all generations, we proudly announce the [Esping Camp Endowment Fund](#).

While your involvement with the Putting Classic will help youth to attend camp this year, we also invite you to make a gift to the Esping Camp Endowment Fund in order to provide opportunities to future generations of campers.

This Esping Camp Endowment Fund will ensure that YMCA Camp continues into perpetuity. This is a secure fund. The principal will stay intact, and the interest alone will provide camperships and expanded camp leadership programming.
