Volunteer Coaches:

- Every coach must complete a volunteer application and undergo fingerprinting.
- Coaches with children in the program are eligible for a 50% discount on the league price, provided they are actively coaching in the current season.
- Coaches volunteer their time, dedicating at least 2-3 hours each week.
- Volunteer coaches choose the day and times of practice
- If interested in Coaching, please reach out to Byron Reliford breliford@anaheimymca.org

Team Formation:

- We form teams based on various skill levels. We do our best to make the teams evenly matched as possible. Practice location and day requested for practices are taken into consideration.
 - Exceptions: Requests are minimal and must be submitted on Evaluation Day, but they are not guaranteed.
 - We believe that children have the best experience when they are allowed to participate with their friends. Therefore, we try our best to honor friend requests. Requests with more than 3 players are difficult and maybe split up to accommodate all the teams.
 - We have a limited number of gym times so requests for practice days and times are limited to one request. Our volunteer coaches choose the day and times of practice.
- Switching teams: Players may not switch teams *without the approval of the program director and coordinator*. If a situation arises where a team does not work, we will try to find a team that does.
- If participation is low, we may combine teams with DAYC and WAYC.
- If a player misses **2 consecutive practices and games without notifying the coach**, the player may be removed from the roster and be replaced with a child on the waiting list.
